In accordance with Listing Rule 3.10A Bioxyne Limited (**BXN** or **Company**) announces that 7,987,199 ordinary shares in the company will be released from ASX escrow on 27 March 2013.

The escrow period was initiated on 28 March 2012 and related to voluntary/ASX imposed escrow agreements that were a requirement of the company's application for quotation following the successful completion of the takeover of Hunter Immunology Limited as announced to the market on 3 April 2012.

Following the release of these shares from escrow 14,989,686 shares will remain in escrow after 27 March 2013 and are subject to release on 3 April 2014.

The company has a total of 163,059,587 shares on issue.

An Appendix 3B seeking issue/quotation of the shares will not be lodged as these and the other shares remaining in escrow were all issued and applied for quotation in the Appendix 3B lodged with the ASX on 28 March 2012.

Yours Sincerely,

Jarrod White
Company Secretary
